FULANI WALL PLANTER

As part of the 2018 African Crowns collection, the Fulani wall planter is an ode to the sculptural quality of traditional hairstyles of the Fula tribe found throughout West Africa.

The braided arched hairstyles of the Fula women were seen as a symbol of fertility and beauty and it is these arches that are referenced in the organic rounded & arching forms of this wall planter.

The Fulani wall planter has an organic rounded powdercoated steel frame with a terracotta pot and drip tray bringing a fun element to integrating plants in any space with a practical touch.

WAMBO HANGING PLANTER

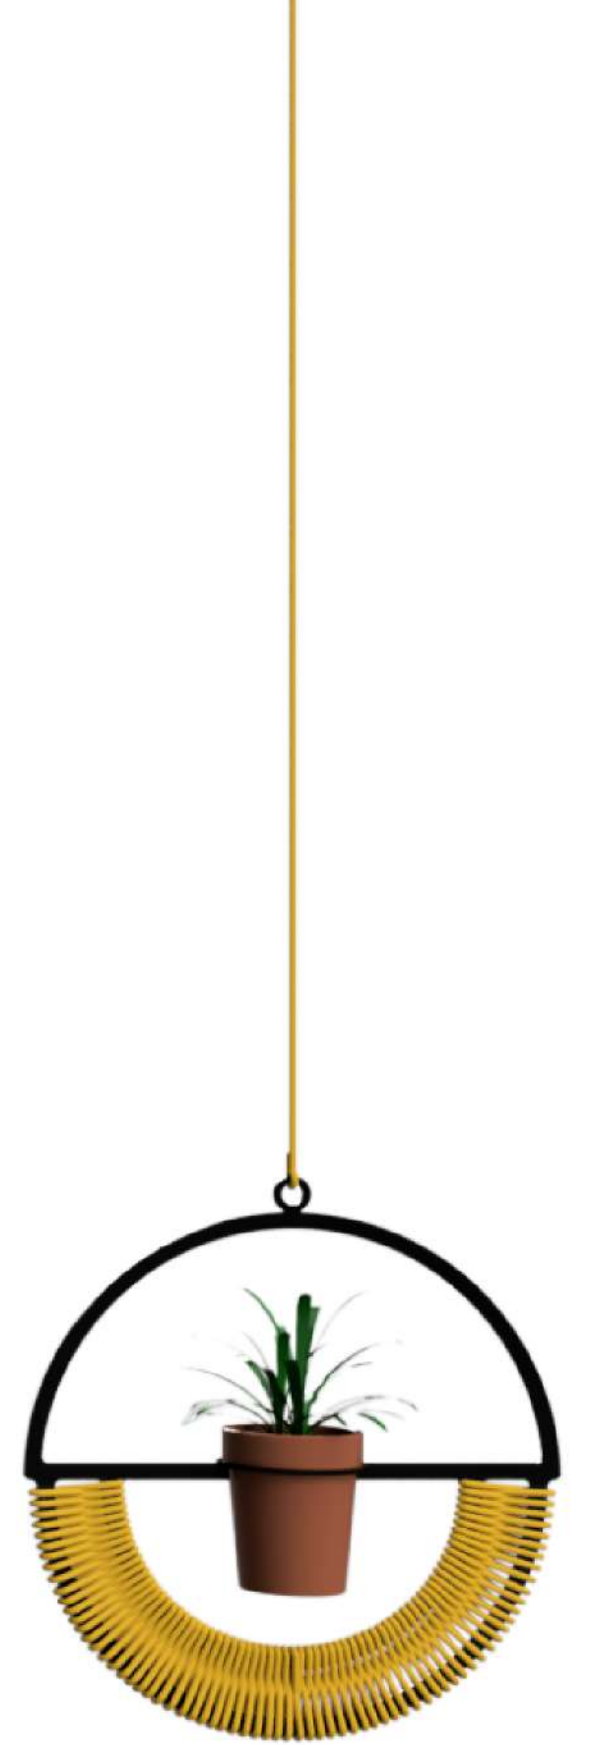

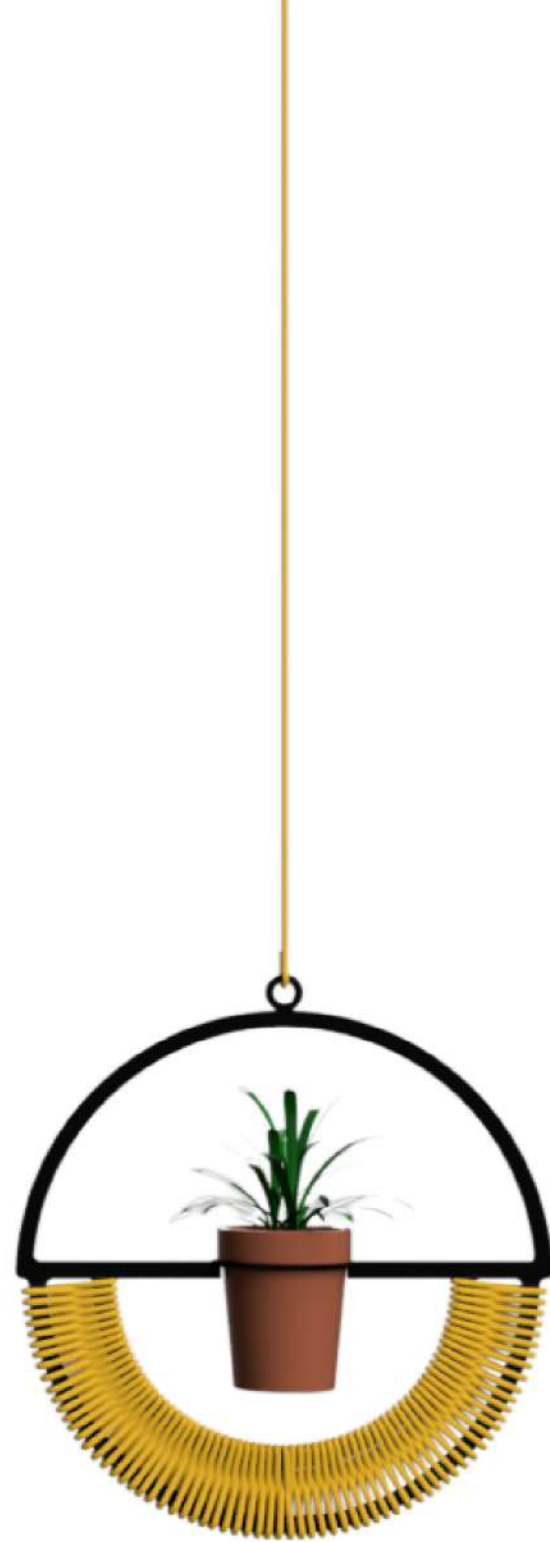

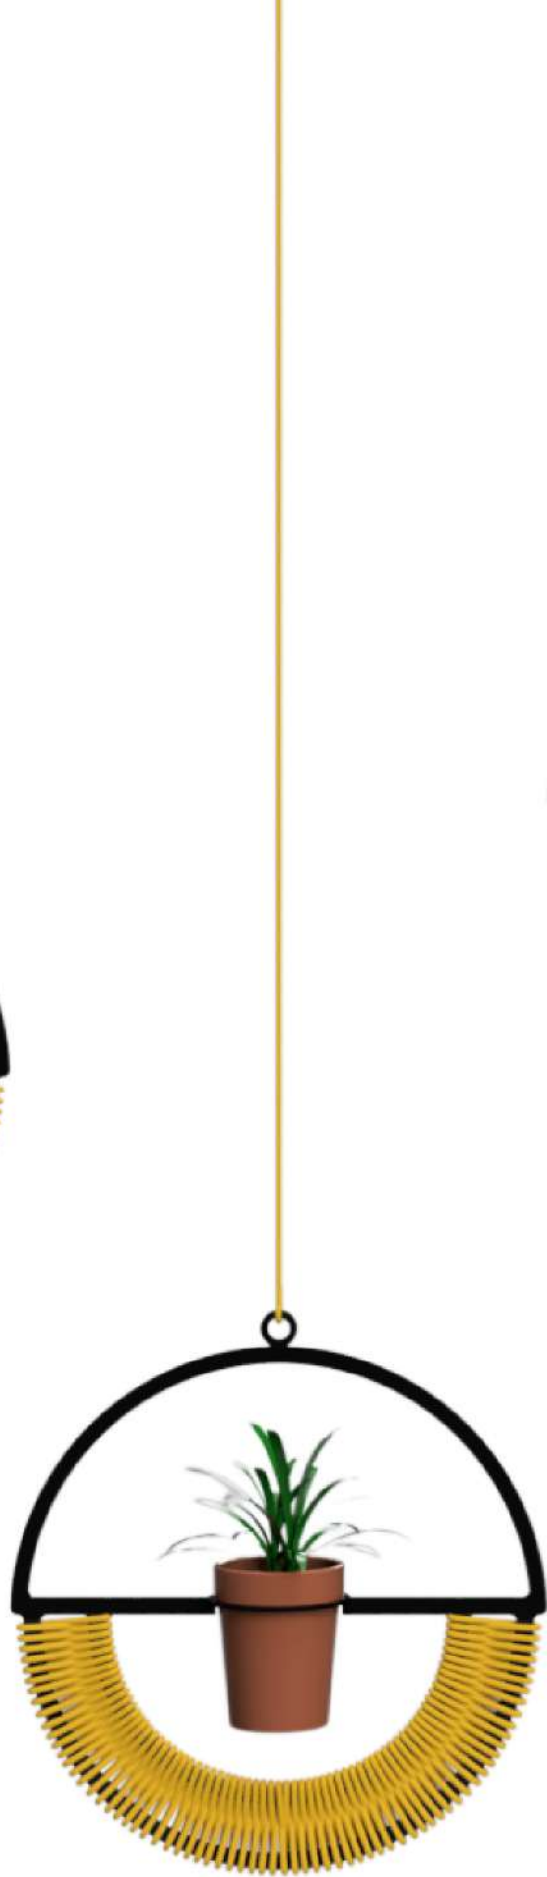

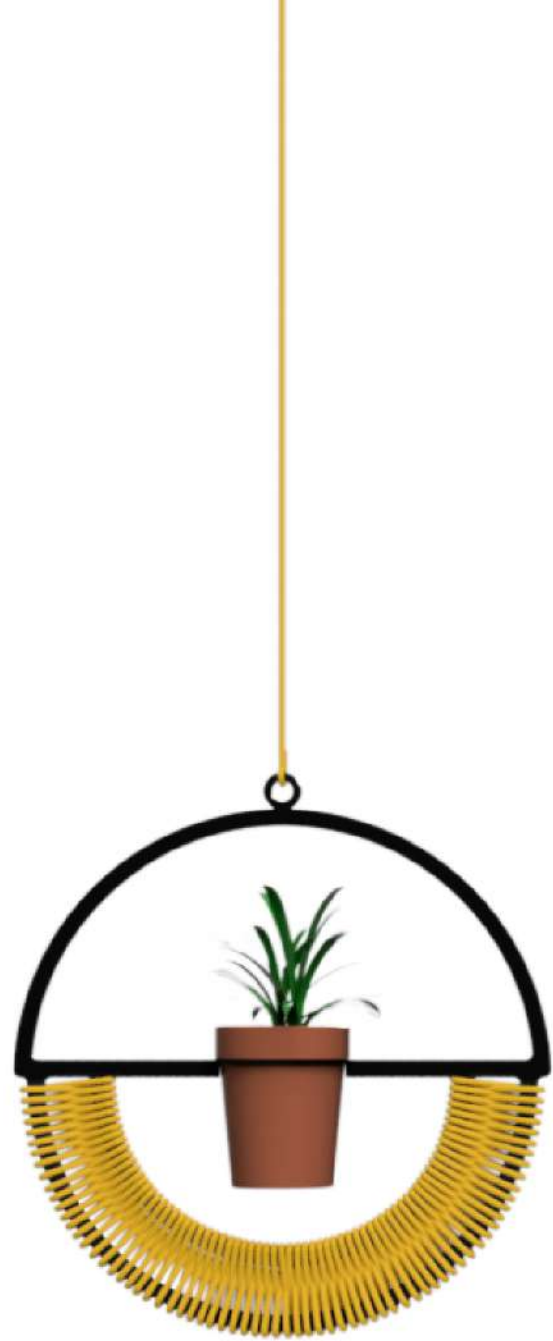

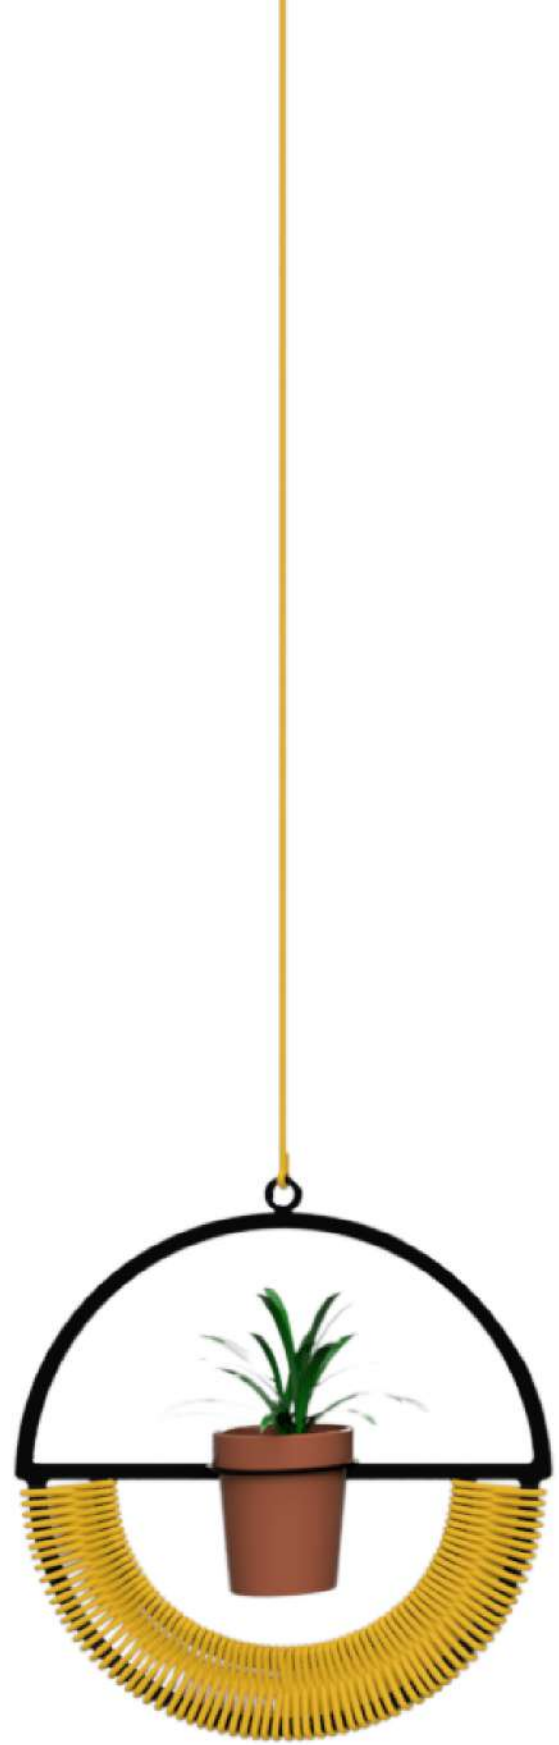

This woven planter forms part of the 2018 African Crown Collection whose purpose was to celebrate and bring to life the beauty & majesty of African tribal hairstyles within the continent of Africa. The woven details references & celebrates the braided & long Rapunzel-like (eembuvi-plaits) hair of the Mbalantu women of the wambo (ovaWambo) tribe in the 1900s in Namibia.

The Wambo planter is made from powdercoated steel framework, woven with a braided polyprop cord and terracotta pot. This piece is as practical as it is eye-catching.

AMANI STACKABLE POT

The Amani pots form part of the Homecoming Collection launched in 2020/1, its name like all names of the pieces from this collection is inspired by words that define home & the feelings around the home in a multitude of indigenous languages from the continent. Amani is a Swahili word meaning peace.

These stackable pots are made from powder-coated steel, fitted with ribs underneath to fit into each other securely. The fine laser details and sloping edges of these plots bring a nuanced shapeliness and modernist feel to their simple form.

DONDO PLANTER

The Dondo planter is an extension of the Dondo collection launched in 2017; its fine laser details are inspired by the patterns of the Ghanaian Dondo talking drum. Across Africa it is known as the dondo, kalangu or gangan or Tama.

The Dondo's history goes back at least as far as antiquity, where discoveries of its use and adaptation can be found among the West African folk as a means to transmit messages across long distances.

The Dondo planter is made from galvanised powdercoated steel frame & plate and has an intergrated screen element.
