## DEHININETI CONSOLE

The Dehinineti console forms part of the Homecoming Collection launched in 2020/1, its name like all names of the pieces from this collection is inspired by words that define home & the feelings around home in a multitude of indigenous languages from the continent. Dehinineti meaning 'safety' in Amharic, a language from the Amhara region in northern Ethiopia.

Elegant and simple in the detailing, the Dehinineti is a useful and beautiful way to store and display in any space. Made from powdercoated steel framework with a solid timber tray and fine steel repeated uprights this piece is a play on tonality and repetition.

## FULANI CLOTHING RAIL

As part of the 2018 African Crowns collection, this multifunctional & mobile clothing rail is an ode to the sculptural essence of the traditional hairstyles of the Fula tribe found throughout West Africa. These arched hairstyles were seen as a symbol of fertility and beauty and it is these arches that are referenced in the organic rounded, arched elements of this clothing rail.

The Fulani clothing rail has an organic powdercoated steel frame with a choice of either powdercoated MDF or solid Ash timber shelving to bring chic simplicity & functionality without compromising on aesthetics.

## ZAMO STORAGE UNIT

The Zamo unit forms part of the 2018 African Crowns Collection. The arched details are inspired by the sculptural quality of traditional hairstyles of the Fula tribe found throughout West Africa. These arched hairstyles of the Fula women were seen as a symbol of fertility and beauty and these elements have been translated into the rounded details & patterns found on this unit. The Zamo, which is shortened from Nomzamo meaning 'one who tries' in Nguni languages including Ndebele.

Elegant and organic in its detailing, The Zamo unit is a useful and beautiful way to store and display in any space. Made of rolled steel framing and finished in a tonal black powdercoated steel frame and MDF body, finished off with a terrazzo stone top, solid timber relief details and brass handles. This piece offers a play on sculpture and functionality.
