**BAMBANANI COFFEE TABLE  
(STONE)**

The Bambanani nesting table set forms part of the 2017 introductory Ndebele range; inspired by cultural Ndebele graphics, from abstracted lines and forms of the inspirational forms juxtaposed against modern design silhouettes and materials. Bambanani meaning 'Stand together' Nguni languages including Ndebele.

Made from powder-coated steel framework the round tables comes in marble top whilst the pill-shaped table of the set comes complete with a solid side pressed bamboo and solid Ash timber in a natural or ebony stain finish that enhances its clean lines and contemporary style.

## MUK'ETI SIDE TABLE

The Muk'et woven side table forms part of the Homecoming Collection launched in 2020/1, its name like all names of the pieces from this collection is inspired by words that define home & the feelings around home in a multitude of indigenous languages from the continent. Muk'eti is an Amharic word meaning 'warmth'.

Bringing an element of handcraft to any space with a simple, contemporary design that emphasizes material and texture, the Muk'eti is made from powder-coated steel with a woven detail in a braided polyprop cord.

## MUK'ETI NESTING TABLES

The Muk'eti nesting table set forms part of the Homecoming Collection launched in 2020/1, its name like all names of the pieces from this collection is inspired by words that define home & the feelings around home in a multitude of indigenous languages from the continent. Muk'eti is an Amharic word meaning 'warmth'.

Created to be seen as a centering element to a room or as individual small tables for use as couch tables there's an element of simple, contemporary design that emphasises a play on forms as well as texture. The Muk'eti's set is made from powder-coated steel with woven details in a braided polyprop cord, limesite or terrazzo stone tops and are beautiful as a set or as separates.

## WAMBO SIDETABLE

This side table forms part of the 2018 African Crown Collection whose purpose was to celebrate and bring to life the beauty & majesty of African tribal hairstyles within the continent of Africa. The woven details of this side table reference & celebrates the long & woven Rapunzel-like (eembuvi-plaits) hair of the Mbalantu women of the wambo (ovaWambo) tribe in the 1900s in Namibia.

The Wambo side table has a powder-coated steel frame, solid timber or stone top finished off with beautiful hand-woven details that make this piece as practical as it is eye-catching.

## FULANI SIDETABLE

As part of the 2018 African Crowns collection, the Fulani side table is an ode to the sculptural quality of traditional hairstyles of the Fula tribe found throughout West Africa.

The braided arched hairstyles of the Fula women were seen as a symbol of fertility and beauty and it is these arches that are referenced in the organic rounded & arching forms of this chair.

The Fulani side table has an organic rounded powder-coated steel frame with a solid timber or terrazzo stone top and a steel shelf to bring chic simplicity with a practical touch.

## OVAMBO SIDETABLE

As part of the 2018 African Crowns collection, the Ovambo side table is an ode to the sculptural quality of traditional hairstyles of the Ovambo tribe found formerly known as Ovamboland in Namibia. The women of this tribe wore elaborate braids and copper or leather bands around their necks, making their figures appear very elongated."

The Ovambo side table has an organic rounded powder-coated steel frame with a solid timber or terrazzo inset stone or solid timber top and a steel shelf to bring chic simplicity with a practical touch.

## DONDO DINING TABLE 1200

The Dondo table is an extension of the Dondo collection launched in 2017; inspired in shape and pattern by the Ghanaian Dondo talking drum. Across Africa it is known as the dondo, kalangu or gangan or Tama.

The Dondo's history goes back at least as far as antiquity, where discoveries of its use and adaptation can be found among the West African folk as a means to transmit messages across long distances.

The Dondo table is made from powder-coated steel frame with a solid timber top.

## DESKS

### 01. Nenzima Desk

## NENZIMA DESK

The Nenzima desk is inspired by the elongated, sculptural, fine coiffure/hairstyle of Queen Nenzima of the Mangbetu tribe in the DRC during the 1920s & forms part of the 2018 African Crowns Collection. The overall lines and forms of the desk are inspired by the distinctive look of the elongated heads of most Mangbetu women during that period. Along with the elongated head, the accompanying details of this distinctive hairstyle was an oval or funnel-shaped updo finished off with an outward halo, originally symbolic of high social status, this was considered exceptionally attractive and powerful this is represented by the steel plate in the front of this distinctive desk.

The Nenzima desk is made from powder-coated steel frame with a solid timber top in a natural and ebony-stained finish.
