- 03. Wambo Woven Mirror
- 04. Wambo fringe Mirror

ZIYANDA MIRROR

The Ziyanda mirror is one of our first pieces designed in 2016 & forming part of the inaugural 2017 Ndebele range. This piece is inspired by cultural Ndebele graphics, from abstracted lines and forms of the inspirational forms juxtaposed against modern design silhouettes and materials. Ziyanda meaning "plenty (girl children)" in Nguni languages including Ndebele.

Made from powder-coated steel framework, with lasercut geometric modernist inspired details that enhance its clean lines and contemporary style. This mirror can either be floor standing or attached to a wall.

OROMO FLOOR MIRROR

The Oromo floor mirror's beautiful organic lines and forms are inspired by the traditional hairstyles of this Ethiopian tribe. The chair form is also inspired by the Oromo chairs/benches from the same collection.

As part of the 2018 African Crowns Collection; this piece is an ode to the magical sculptural spectacle of African hair, launched in 2018.

Encapsulated by an organic powdercoated steel frame, the Oromo Floor mirror is a multifunctional piece fitted with a solid Ash shelf and handwoven details. This piece illustrates the fine balance of soft lines and textural appeal and modernist undertones.

WAMBO WOVEN MIRROR

This woven mirror forms part of the 2018 African Crown Collection whose purpose was to celebrate and bring to life the beauty & majesty of African tribal hairstyles within the continent of Africa. The woven details references & celebrates the braided & long Rapunzel-like (eembuvi-plaits) hair of the Mbalantu women of the wambo (ovaWambo) tribe in the 1900s in Namibia.

The Wambo woven mirror is made from powdercoated steel framework, woven with a braided polyprop cord and a clear glass mirror. This piece is as practical as it is eye-catching.
